Project Summary

Objectives

UAnited's general objective is to empower young Ukrainian refugees and internally displaced persons through open innovation activities that promote youth engagement and resilience in crises.

UAnited aims to:

Sp.Obj1: Enhance young Ukrainians' knowledge and skills in open innovation solutions to address war-related educational and social challenges.

Sp.Obj2: Foster Ukrainian youth's intercultural understanding and skills through art-based open innovation for peacebuilding and post-war recovery.

Activities

UAnited is composed of 28 activities, allocated in 4 work packages (WPs):

WP1 Project Management: 11 activities

WP2 Ukrainian youth-led crowd innovation for educational and social challenges: 6 activities

WP3 Art-based empowerment of Ukrainian youth for a sustainable future in Ukraine: 5 activities

WP4 Impact and sustainability: 6 activities

Impact

By developing its activities in 4 partner countries (LU, GR, UA, and IT), UAnited will produce:

WP1: 10 project MNG handbooks and reports

WP2: needs identification and co-design plan (D1); report of meetup (D2); video recording (D3); reports (D4, D5), video testimonials (D6)

WP3: report of meetup (D7); video recording (D8); reports (D9, D10), video testimonials (D11)

WP4: compilation of audit evidence (D12); open access sustainability report (D13); 4 multiplier events (LU, IT, UA, GR).
